## DESTROY THE CAUSE.

You Cannot Cure Dandruff Without Destroying the Cause of It.

Many people wash their scalps Saturday night or Sunday to try to keep the dandruff down for a week, but on Monday night the scalp has begun to itch, and Tuesday morning will find a good supply of dandruff when the hair is brushed. There is but one real scientific way of curing dandruff, and that is to kill the germ that causes it and falling hair, and finally baldness. There is only one preparation that will destroy the germ, and that is Newbro's Herpicide. It is an entirely new discovery and the only hair preparation that is based on a scientific principle. In addition Herpicide is a very refreshing hair dressing for regular toilet use. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

## SHRINERS HOME.

Drs. C. A. Caven and M. D. Johnson have returned from attendance upon the recent festivities of the Shriners at Phoenix. In some manner to the public unknown, Dr. Johnson and his Van Dyke beard, the result of months of careful training, parted company. It is also alleged by the local Shriners who attend the Phoenix celebration that the aforesaid disciple of Aesculapius was for two hours the chief ornament of one of the most crowded thoroughfares of the capital city, his dominant adornment being a conspicuously large fool's cap.

## LITTLE GUN, BIG FINE.

John Manchester, a Cornishman, who has been at work in the mines here for the past eight or nine months is an unwilling occupant of the city jail and the poorer by the sum of \$60, as the result of getting too careless with his gun, a 32-caliber, in the red light district the other night. Officers Hall and McCoy spotted him and he was taken in tow to answer a charge of carrying concealed weapons. He was brought before Justice Burdick and entered a plea of guilty. He was given ten days and \$60.

His sudden death left me, as I supposed, in a very poor financial condition. You can imagine the surprise and joy with which I received your announcement the other day that this policy would be paid in full. It was entirely unexpected and means so much to me that I am glad to express my gratification to your company for writing such a liberal policy. Modern life insurance, indeed, must be a wonderful benefit to mankind. I know it has proved a great blessing to me and mine.

Thanking you again I remain, (Signed) LUCY E. DEVINE.

Mr. Devine held two policies, one for \$5,000, and one for \$3,000. The first was paid to Mrs. Devine one the 17th, the other payable to his estate will be paid as soon as an administrator is appointed.

Mr. Germain will give the best of table board for \$30 per month and will also sell commutation tickets of \$5.50 for \$5.00. Mr. Germain is fitting up a reception room with an elegant Emerson piano for the comfort of his guests and the ladies. He will also make a specialty of serving lunches and private parties. He will cater specially to after the theatre parties. Also serve at private residences, ladies' glove lunches, and in the language of the liver, if you want to live and eat and go to live, go to the Royal and dine with Germain.

The assignment was made last Saturday, J. J. O'Laughlin being appointed assignee. The liabilities were given as \$500; no statement as to the assets was volunteered. The stock was sold at auction, and the last of the fixtures yesterday at private sale. Robinson, the owner, will probably become one of the paid members of the Bisbee fire department.

## AT THE ROYAL.

In addition to the selections by the orchestra at the Royal, which have become one of the favorite features at this place of amusement, the following program is being presented in the way of motion pictures: "Cast up by the Sea," "Dancing Comedy," "The Foundling," "Twin Brothers' Joke," and "The Chemist's Mistake," a program that presents a pleasing variety of the serious and the ridiculous. The songs that are being sung are both of more than usual merit.
